

# SEWING BEE FOR THE LGBT COMMUNITY

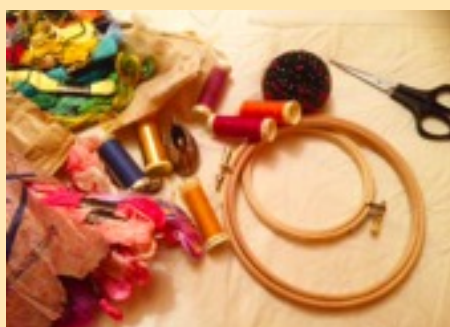

**SUNDAY 24TH FEBRUARY 2013 2PM - 5PM**

**MOCA (London), 113 Bellenden Road, London SE15 4QY**

**Curated by Melissa Jo Smith**

**A bee is a bringing together of people to accomplish something. We invite the LGBT community to take part in our 'sewing bee' to celebrate LGBT History Month. Bring your stories and experiences, your creativity and gossip, and come decorate a handkerchief to take away with you. Artists and helpers will be on hand to assist you in turning your picture, idea or story into a beautiful embroidered piece. Feel free to bring a drawing or photograph with you. As well as connecting with people and telling your stories, you will learn new skills and be part of a community gathering. Refreshments will be provided.**

**NO SEWING EXPERIENCE NECESSARY**
